

JOB TITLE: Mechanic II

DEPARTMENT: Maintenance

REPORTS TO: Lead Mechanic

JOB LOCATION: Denton, Texas

LAST REVISION DATE: 11/2019

JOB TYPE: Full-Time

PAY TYPE: Non-Exempt

HOURS: Days, Nights, Weekends, Holidays as needed

JOB SUMMARY:

Performs repairs and preventive maintenance activities for the fleet. Evaluates, troubleshoots, analyzes and tests transit vehicle systems to determine the nature and extent of defects. Assists with repairs and replacement of transmissions, front and rear end assemblies, power steering, braking mechanisms, electronic engine and equipment systems and controls, and hydraulic systems. Performs additional tasks as assigned.

JOB FUNCTIONS:

These duties are a general representation of the position; assignments may vary

- Assists higher-level mechanics with repairs for the fleet, including, but not limited to: replacing, repairing, transmissions, front and rear end assemblies, power steering, braking mechanisms, electronic engine and equipment systems and controls, and hydraulic systems.
- Performs preventative and periodic maintenance inspections; diagnoses and ensures the timely and effective repair of problems identified during inspections.
- Advises supervisor immediately if additional work is needed, if work outlined is not needed, or if repairs cannot be completed within the promised time frame.
- Evaluates, troubleshoots, analyzes and tests transit vehicle systems to determine the nature and extent of defects.
- Ensures that all vehicle condition reports are accurate and adequately addressed.
- Assists in maintaining all maintenance records (e.g., work orders) in an "inspection ready" state at all times; and ensures repair orders are neat and accurate.
- Tracks all repairs in progress to ensure the timely and correct repair of vehicles for return to operations; and knows the maintenance status of all assigned vehicles at all times.

REQUIREMENTS TO PERFORM WORK

Essential Knowledge and Skills:

- Ability to obtain/maintain, within three (3) months after hire, a minimum of Class B valid Commercial Driver's License (CDL) with Passenger (P) endorsement for public passenger transport valid within the State of Texas.
- Working knowledge of hand tools and equipment.
- Ability to perform major and minor repairs to engines, transmission, brake, and hydraulic systems.
- Ability to use computerized scanning equipment to aid in the diagnosis.
- Ability to use diagrams and service manuals for troubleshooting.

NORTH TEXAS MOBILITY CORPORATION

- Ability to interact professionally with internal and external clients.
- Ability to communicate effectively in both the written and spoken form; uses appropriate grammar, accurate spelling, and punctuation when communicating through written form; communicates effectively with internal and external customers.
