Example of a Correctly Punched Pass

DCTA's Local AM/PM Pass provides riders with a simple fare structure when riding agency services.

Below are helpful tips to keep in mind when using DCTA's Local AM/PM Pass.

- The Local AM/PM Passes are $1.50. For those using DCTA service all day or between AM/PM times, Local Day Passes are available for $3.

- Once you purchase a DCTA Local AM/PM Pass, you have to validate it in order to ride DCTA. **Remember, purchasing a DCTA Local AM/PM Pass doesn't automatically validate it for you to use.** If you purchase the pass at a ticket-vending machine, it's already validated based on your selection; however, a DCTA bus operator or customer service agent can validate the pass for you at the time of purchase.

- When you are ready to take your DCTA trip, validate your pass by punching the desired month, day, and "AM" or "PM."

- Your pass will become invalid, and you won't be able to use it, if you punch both "AM" and "PM" or the wrong month or day.
